

2015 Vendors Agreement

William Bartram Heritage Day is Saturday, March 21, from 10am to 4pm at Little Orange Creek Nature Park in Hawthorne, Florida. Set up time is from 8 to 10am. Break down at 4pm. Everything for sale must be handmade or self-grown! Native plants are encouraged as folks will be looking to grow their personal gardens. Space is not an issue as we have ample room. This will be the first year for vendors so we will start our fee at \$15.00. Non-Profit spaces are free.

We are also looking for (1) demonstrators of old time crafts and ways of doing things (2) folks to host crafts to make and old time games for the kids. Any ideas you may have to enhance this event are welcome!

This event is a fundraiser for the Nature Park. We hope to finally open this year after a tough time with all the regulations and mandated improvements. The purpose of the park is to enhance the lives of our young people through environmental and art education. We hope that you will be happy to come on board with us in our efforts to achieve this goal.
