

4th Annual William Bartram Day

March 5, 2016

2016 Vendors Agreement

William Bartram Day is Saturday, March 5, 2016 from 9am to 4pm at Little Orange Creek Nature Park in Hawthorne, Florida. Set up starts at 7:00 am and breakdown is at 4pm. Please plan to stay for the entire event. Everything for sale must be handmade or self-grown! Native plants are encouraged as folks will be looking to grow their personal gardens. Space is not an issue as we have ample room. This will be the 2nd year for vendors and 2015 was a great success. We hope that you will participate with us to make this year even better.

We are also looking for (1) demonstrators of old time crafts and ways of doing things (2) vendors to host simple crafts to make or old time games for the kids. Any ideas you may have to enhance this event are welcome! (no fee if you are providing either of these at your booth. But as always, donations are gratefully accepted!

Advertising will be extensive, including email blasts, Gainesville Sun and the Scene advertising, Radio (WUFT), Channel 20 Community News, Palatka Daily News and Ocala Star Banner. A Facebook Event Page will also be made and we urge all of you to Like and Share to get the news out to as many as possible.

This event is a fundraiser for the Nature Park. We hope to finally open before summer 2016. It has been a tough and expensive endeavor with all the regulations and mandated improvements. The purpose of the park is to enhance the lives of our young people through environmental and art education. We hope that you will be happy to come on board with us in our efforts to achieve this goal.
